DIARY DATES

Tuesday 18th December	Whole School Excursions
Thursday 20th December	LAST DAY OF SCHOOL FOR STUDENTS—2.30 FINISH
Thursday 31st January, 2019	First Day for Students

Dear Parents/Carers/Students/Staff,

We are coming to the end of another busy week. Firstly we had transition and it was exciting to see how well all the students went in their new classes. Photos should go home soon so that you can work with your child in the holidays reminding them of their new room, classmates and new teachers.

Unfortunately the sun did not show its face today so the Juniors had to adapt the Junior Excursion. Although the Juniors did not get to ride the train, they still had their hot chips and we were able to redirect Santa so all the Juniors got their gifts.

Tonight we have the senior graduation. It is a big cohort of students for us 8 students. The excitement is beginning to build and I would like to thank Matt, Josh, Jenny, Sam, Naomi and Janine for all their hard work in preparing for tonight. I would also like to thank Ty's brother Michael, for hiring a Limo to take some of the students to the graduation event. I believe William is arriving with friends in a Hummer and so some students will arrive in style.

During Junior Assembly tomorrow there will be presentations to the graduating junior students and that will be exciting for them. I would like to wish the junior graduating students all the best in the Middle Years.

Student reports will go home on Friday. I must say having read through them it is very pleasing to see how successful the students have been and the positive comments that the teachers have written.

We have the whole school excursion to look forward to next week and that is either Jump and Climb or the movies and then the school year is nearly over.

Stay dry and have a great weekend.

Helen
